REMARKS

The specification and claims of the present application  
have been amended to incorporate sequence identifiers, and to  
incorporate sequence listing pages as required under 37 CFR  
1.821. These amendments are formal in nature and present no new  
matter.

The specification has also been amended to reflect the  
deposit of the cell line HC14 with the ATCC. A copy of the  
deposit information is enclosed.

In view of the foregoing, Applicants believe all claims  
now pending in this application are in condition for early  
examination and action toward that end is respectfully requested.

If the Examiner believes a telephone conference would  
expedite prosecution of this application, please telephone the  
undersigned at (415) 326-2400.

Respectfully submitted,
